Jaime:

The head of our Multi Media Department is:

Steve Segura

East Chicago Multi Media

ssegura@eastchicago.com

(219) 391-8206

Steve can put flyers for the Open House/Availability Session or PSAs on our local cable access channel, and the City's social media accounts, etc.

Thanks,

Carla

Carla,

Can you send me the contact info for the city's public relations staff?

Jaime Brown

On Scene Coordinator

Subject: USS Lead Public Meeting, Dec. 10th..

Hi, on the MACT call today, there were questions regarding the proposed public meeting EPA is having on Dec. 10th.

Carla Morgan said she would like for EPA to work with the city's public relations staff to get the word out as much as we can

regarding this meeting. I am not sure who is in charge of planning the meeting (Phillippa I assume it's you and your staff), but I think it would be good for you all to get in contact with

Carla; maybe Jaime since he is the City of EC Liaison, and find out who her public affairs contact is, and find out how they want to work with us to get the word out to as many people as possible.

Also, you all might want to start thinking about who you want to invite to participate and the format of the meeting. Lee Christenson from ISDH said that they were not planning to participate or do blood lead testing at the meeting, but Carla suggested that they should participate and that she would follow up with them after our call today. Mark Johnson made some good suggestions on how blood lead testing can be set up at the Old Carrie Gosch School. Lee also brought up how emotional the meetings have been, and I thought maybe it would be good for the mental health folks to be at the public meeting as well. Mark Johnson can assist you all with getting the mental health folks on board.

I just wanted to pass those items along from the call today.

Let me know if you have any questions.

Tammy Moore, Acting Chief
